

NNPDF Family Support & Medical Conference

Activity Zone Guidelines

1. Each child must be signed in and out of the Activity Zone by their parent or designated adult. No one other than the designated adult(s) may remove or sign a child out of the Activity Zone.
2. Parents must provide emergency contact information (hotel room number, cell phone, etc.) and information about any allergies, seizure activity, and any helpful information on the Activity Zone Registration Form.
3. Only Activity Zone volunteers are allowed to take children to the restroom. Children will be accompanied to the restroom by two Activity Zone volunteers. Parents will be contacted to change undergarments if needed. Activity Zone volunteers will not diaper or assist in toileting.
4. Adult/Teens with Niemann-Pick must have the assistance of their parent/caregiver when using the restroom if needed.
5. Activity Zone volunteer staff will maintain a safe environment. Small children will be attended to by AZ volunteers only. Piggyback rides, rough housing, etc. will not be allowed.
6. Activity Zone volunteers will not administer G-tube feedings.
7. Parents will be notified of any seizure activity.
8. Light snacks (crackers, granola bars, juice, etc.) will be available in the Activity Zone. Please note on the Activity Zone Registration Form if your child can receive snacks.
9. Activity Zone volunteers may not administer any medications or supplements.
10. Activity Zone staff will work to constructively redirect disruptive behavior. A parent may be contacted and asked to pick up any child who may need a break from the Activity Zone.
11. Parents must attend conference sessions while their children are attending the Activity Zone. Please do not leave the hotel property.
